12 & 15 INCH UPRIGHT VACUUMS

PACER 12/15 UE

The Pacer 12/15 UE is the single-motor upright of choice for many professional cleaners. Performance and durability are the hallmarks of this CRI Gold certified vacuum.

- Peak performance. The Pacer 12/15 comes with a HEPA filter and is rated "Gold" by the Carpet and Rug Institute. A distinction that demonstrates this vacuum's exceptional cleaning ability and filtration.
- Ergonomic. The adjustable handle and contoured grip help your staff find a comfortable setting.
- Simple maintenance. No tools needed for common maintenance tasks. Change the filters, brush roll and cord quickly and without tools.

DO NO HARM™

Improve indoor air quality with periodic wall-to-wall vacuuming. Remove dust and allergens from carpets making occupants more comfortable.

Printed on Green Seal® certified paper that contains 30% recycled post-consumer fiber.

Warranty	2 years, including belt, excluding wear items

1. The enclosed handle allows for a relaxed grip during operation.
2. A built-in extension hose and wand let your staff clean up to 10 feet above the floor.
3. Patented WAVE-LOK® filter bag ensures secure bag installation every time. US Patent 8,439,997. D6664317. Trademark 85/328511
4. The brush height adjustment knob on the base adjusts to four positions to accommodate different carpet types.
5. The brush is built tough for commercial use and can be replaced quickly without using tools.
6. Shock-absorbing wheels keep the vacuum quiet while transporting over hard surfaces.
7. The adjustable handle lets your staff find a comfortable working position.
8. Cord replacement is quick and easy, requiring no tools.
9. A mechanical clutch protects the belt from braking if the brush gets jammed.
10. On-board tool storage means that the 8" crevice tool and 3" round brush are always close at hand.
