18" SELF-CONTAINED CARPET EXTRACTOR

STALLION 818 SC

Designed for medium-sized areas, the Stallion 818 SC can deep-clean and restore carpet quickly. Improve restorative cleaning productivity with the compact, dependable Stallion 818 SC.

- Productive alternative to tank extractors. The Stallion 818's brush loosens soil from the carpet while the vacuum shoe efficiently collects dirty solution. Extract carpet up to four times faster than a tank extractor with a 12" wand.
- More than just a carpet extractor. Add tools and hoses to the Stallion 818 SC to extend its capabilities to include cleaning upholstery and stairs.
- Easy maintenance. The Stallion 818 SC is simple to maintain. Remove a few bolts on the back of the machine to tilt the tanks forward, revealing all of the inner workings.

DO NO HARM™

The Stallion 818 SC makes carpet cleaning efficient and helps you extend the life of your carpet. Clean carpet helps limit allergen exposure, keeping building occupants happier and healthier.

Printed on Green Seal® certified paper that contains 30% recycled post-consumer fiber.

Input Voltage	120V or 240V
Construction Tanks Base Housing Spray Jets Wheels Vacuum Shoe Brush	Rotomolded polyethylene Powder-coated Steel Mounted on hinges Stainless Steel, 1/4 turn jets, Qty 3 Two 10-in (25 cm) roller bearing Cast aluminum 18" Wide, Nylon, Sealed Bearings
Cord	14-3 SJT, twist-lock, 50 ft (15 m)
Sound Level	77 dBA
Dimensions L x W x H	34 x 19 x 35 inches 86 x 49 x 90 cm
Weight Machine Shipping	97 lbs (44 kg) 117 lbs (53 kg)
Warranty	3 years parts, 10 years on tanks.
Productivity	1,929 ft ² /hr (179 m ² /hr)

1. A clear dome lets the operator view the results to make sure everything is working.
2. A float mechanism protects the vacuum motor when the recovery tank is full.
3. Durable 8 gallon tanks won't rust or corrode and have a 10 year warranty.
4. The twist-lock plug keeps the cord from accidentally pulling out.
5. The tank-over-tank design keeps the machine well balanced from start to finish.
6. Three stainless steel jets snap in and snap out for trouble-free maintenance
7. The floating brush adjusts to different carpet pile heights.
8. A stainless steel string guard protects the brush bearings.

OPTIONS AND ACCESSORIES

4" Upholstery Tool. Clean furniture and curtains with this specially designed tool. The squared off base allows you to create a good seal with the cushion, pulling the dirt off furniture.

30" Stair Tool. This special single-jet wand is built for cleaning stairs. The shortened wand lets your staff stand a few steps below the working surface without bending over too far.

Hydroglide 2. This next-generation carpet wand uses a durable Delrin glide to reduce drag for smooth

operation on any carpet. The rugged polyethylene wand head with tear-drop design efficiently collects dirty water. The wand is manufactured with 1.5" aircraft aluminum alloy tubing and only weighs 6.4 pounds.
