

CREATING A CLEANER, SAFER, HEALTHIER WORLD.

EQUIPMENT

V-BP-6

BACKPACK VACUUM

- Improve productivity, efficiency, and comfort through ergonomic features and new tool options
- Designed with the user in mind with a Deuter® branded hiking harness, which is designed to reduce operator fatigue and muscle strain
- Three new tool kit options to suit a variety of cleaning needs and provide consistent cleaning performance

FINALLY, AFFORDABLE BACKPACK VACUUMS THAT ARE COMFORTABLE

COMFORT LEADS TO PRODUCTIVITY

An ergonomic Deuter® branded hiking harness designed to decrease muscle fatigue and maximize operator comfort and mobility.

SAFE, FIELD PROVEN PERFORMANCE

Enhanced safety features, such as added strain relief, 67 dBA noise level and 4-stage filtration with HEPA means you can clean safer and protect your investment.

OPTIONS TO SUIT YOUR CLEANING NEEDS

With three tool kits available, you can choose the set that's right for your application. The premium Sidewinder® kit provides up to 50% more productive cleaning than traditional push-pull wands.

FEATURES AND BENEFITS

V-BP-6

DEUTER® HARNESS

Designed and manufactured by Deuter, the world leader in hiking backpacks.
