

# EVOLVE YOUR BUSINESS FROM THE FLOOR UP

## X4 ROVR AUTONOMOUS FLOOR SCRUBBER

Our most nimble autonomous scrubber is designed to support your staff, so they can focus on more valuable, hands-on tasks and aids in enhancing their professional expertise.

- Easy integration with your existing floor protocols.
- Help re-energize and upskill your staff.
- Reveal untapped returns in your operations.
- Support throughout the robot's lifetime from our Factory-Direct Service and Customer Success teams.

### Built for productivity in many spaces

The X4 ROVR's differential, dual-drive propulsion system nimbly handles small and congested spaces, allowing it to get the job done with minimal disruption to staff and visitors.

### Unlocks new returns on clean

Get the most out of cleaning by giving your team diverse and adaptable options. This shift introduces your employees to a tech-centered cleaning approach, and helps reinforce job satisfaction.

### Simple to train, easy to trust

Get up and running quickly with support from our cross-functional Sales, Factory-Direct Service and Customer Success team. With over 6,500 robotic deployments, we've honed a proven method for your triumph.

### Made to help empower employees

Let the robot handle the floors, freeing up your staff for other tasks—its near zero assist autonomy makes it a reliable efficiency booster.

# SMALL SIZE. BIG WORK ETHIC.

## Color changing status light

Provides visual information regarding machine status.

## Front 3D LiDAR

Enhances visibility for increased autonomy.

## Intuitive controls

Ensure ease of use and efficiency for operators.

## Lithium-ion batteries with 5-year warranty\* + on-board charger

For maximum charging flexibility.

## Color-coded touch points

For ease of training and maintenance.

## Insta-Click™ brush attachment

For easy and safe brush and pad maintenance.

## Squeegee + recovery system

Provides optimal water pick-up, helping to keep floors dry.

## No-tool brush + squeegee blade replacement

Maintain squeegee and pads in less than 2 minutes.

\*Lithium-ion batteries are warranted for five (5) years non-pro-rated or 2000 charge cycles (whichever comes first).

## X4 ROVR SPECIFICATIONS

Scrubbing path (dual disk)	20 in / 500 mm
Length	38 in / 94 cm
Width	22 in / 56 cm
Height	44 in / 112 cm
Solution tank   recovery tank	10 gal / 38 L   10 gal / 38 L
Autonomous scrubbing battery time	Up to 2.5 hours
Weight (tanks empty) w/ battery	403 lbs / 183 kg
